If you want to attend a class or workshop we ask that you pre-register by calling or emailing Juli Brode (463-4627) brodej@clearwire.net. Our schedules are subject to change and, if you are pre-registered, you will be notified in event of a cancellation.

Our classes are open to current clients and those who would like to become clients. These classes are offered for a small tuition (based on \$15 per 2-hr session). One may become an eDev client by completing an application.

These are the courses you have requested thus far, but if you have an interest and need for other topics, classes or workshops, please let us know and we will try to work with you! We need a minimum of 10 persons pre-registered in order to hold a class.
